EMAIL: WARRANTY@ANVILTRAILER.NET

5-YEAR LIMITED WARRANTY

Anvil Trailer, LLC warrants to the original consumer purchaser for a period of five (5) years from the date of purchase that structure of trailer shall be free of DEFECTS in materials and workmanship attributable to warrantor. Excluded from this warranty are electrical, plumbing, windows, doors, sealant, paint, undercoating, and fiberglass parts, which are warranted for DEFECTS for one (1) year from the date of purchase. Warranty does not transfer to subsequent owners.

All warranty requests must be presented to Anvil Trailer, LLC and proper arrangements must be made and approved in writing by warrantor prior to any work being done. This limited warranty is issued by Anvil Trailer, LLC for trailer structure only. Any alterations to trailer structure will void warranty. Tires are warranted by tire manufacturer, axles are warranted by axle manufacturer, and any other component parts are warranted by respective manufacturer and Anvil Trailer, LLC bears no responsibility for those component parts.

Excluded From Warranty - Warrantor is not responsible for claims in relation to: (1) detaching, scratches, dents, chips, or tears on any surface not caused by warrantor (2) routine maintenance (3) damage from unauthorized repairs, abuse, misuse, or neglect (4) damaged caused by improper hitch ball or tow hook up (5) component parts covered by separate supplier warranty.

Warrantor's Obligation - Warrantor shall elect to remedy defects in materials and workmanship caused by warrantor, by repair, replacement or refund, if replacement or repair is not possible. All defective products shall be delivered to warrantors address below unless prior written approval is obtained from warrantor. Warrantor may select another qualified location for the repair to be completed. Warrantor will not be obligated, in any way, to pay for repairs made without its specific approval. All cost incurred in shipping or delivery of products for warranty service shall be borne by purchaser. Warrantor shall remedy defects within a reasonable time, not to exceed sixty (60) days after delivery by purchaser.

Purchaser's Obligation - Purchaser must complete and return warranty registration within fifteen (15) days of purchase to obtain warranty service. Purchaser must notify warrantor of any defects within fifteen (15) days after it is, or should have been discovered. Purchaser must pay all service, towing, and transportation charges incurred to obtain warranty service.

Disclaimer of Consequential and Incidental Damages - The original purchaser of warrantor's product and any person to whom the product is transferred, and to any person who is an intended user or beneficiary of the product shall not be entitled to recover from warrantor any consequential or incidental damages resulting from any product defects, including loss of trailer, revenue, or other commercial loss, use of equipment rental or loss of time and convenience.

Limitation and Disclaimer of Implied Warranty - Warrantor expressly limits the duration of all implied warranties of merchantability, fitness for a particular purpose and other implied warranties to the warranty period of five (5) years. The warrantor expressly disclaims all the implied warranties after expiration of warranty date. No person has the authority to enlarge, amend, or modify this warranty.

Design Change - Warrantor reserves the right to change the design of its product from time to time without notice or obligation to make corresponding changes to previously manufactured products.

This warranty gives you specific rights. No action to enforce this warranty shall be commenced later than six (6) months after the discovery of any defect or after the expiration date of warranty period.

Important Safety & Maintenance Concerns: Side door must be locked during transport. Vent should remain closed during transport. Check lug nuts frequently to make sure they remain tight. Axles should be greased every 3,000 miles. Do not walk on roof, it is not meant to support your weight. Check all trailer lights before towing. Interior lights will not operate unless tow vehicle's running lights are on. Battery for break-away system needs to be checked annually and replaced every 3-5 years as needed. Be sure trailer is securely attached to your tow vehicle with correct ball size and safety chains are secured. Brake controller must be engaged for trailer brakes to work in conjunction with your truck brakes. Do not overload trailer beyond maximum axle capacity.
