Description

Our thoughts: The Haulmark Passport Deluxe starts with the entry level Haulmark Passport and adds some features from its big brother, the Haulmark Transport. These features include 3/8" PlexCore high performance sidewalls in place of an economy sidewall liner, and .030 gauge aluminum exterior in place of a thinner .024 gauge. We feel that these two features combined with the overall fit and finish make this trailer a step above a standard economy/entry level trailer.
